“ I have so many memories, I was part of John's woman's bible study, I learned so much from him, and made it through many hard times with his help as a pastor and a friend. I have some of Johns sermons but I wish I had more, his messages were so powerful and carried so much meaning and teachings on how to live life for the good of God. To Margot, Katie and Erin, I would love to hear how you are all doing. I am working hard, to find peace in the loss of such a great man. He will always be missed and loved. Love Kathy Paull

“ Dear Margot: Please accept my belated and very sincere condolences on John's passing last August. I was stunned and saddened to read about it when I looked him up on-line. I finally retired from my shop in Carmel last spring, and moved to Portland in May, and I had intended to write and say hello some time ago. You and John are certainly a part of the good memories I hold from all those years at the 'Clock', and I had looked forward to seeing you both now that I'm here. It's hard to imagine the circumstances under which John passed away at such a young age. I extend my warmest regards to you and your daughters, and hope Time is helping to heal your loss. Respectfully, Michael

“ Dear Margot, I would like to express both my condolences on the loss of John's physical presence and my hope and belief that he has found his way to a Loving Home. Thank you for being my mother's friends.

“ John, we will miss you in this life. Your smile, wacky ways, and the energy you put into helping others will never fade. I'm the lucky one who had the opportunity to call you a friend, and to be a part of your wonderful family. I will keep the many late night talks I shared with you and Erin and all the memories close to my heart. This was way too soon John, but your generous and caring spirit will live on in the numerous lives you touched. Margot, Erin, Katie- All three of you are such amazing people. If there's anything you need through this difficult time, I'm here. Love you all- Tiff
