“ I am the recruiter who placed John with S&C Electric. I had known him for some time prior to that. What a terrific guy. My relationship was primarily of a business nature, but I knew him well enough to say that he was a pleasure to work with, always straightforward and clear. And obviously very bright. I am saddened by his passing. Mark Hill

“ I worked with John in 2021 to purchase his S & C switchgear at Portland General Electric. He went the extra mile to try to help me make sure that the switch gear wood work. He worked so hard and with kindness to my requests.
