“ Your family will always be in our thoughts John. You were so kind and generous in our "emergency" situations years and years ago. Larry and I will miss you dearly. Thank you for being so kind to my son when he would pry you about how you got to were you are during the time he was trying to figure out who he wanted to be. You inspired him in many ways and whether you knew it or not, assisted him in making the right decisions..... just because that is who you were. God has graced himself with a very giving Angel. Your friends, Larry and Cynthia Knight

“ I first met John while we were both in the Vancouver Jaycees back in the late 70's. We worked on many projects together and a lot of fun too. His death came as a surprise and even though I haven't seem him in a while, he will indeed be missed.
