“ Family & Friends -- Sadly, we recently learned of John's passing through his kind donation. He was a DOGPAW Member and enjoyed visiting the dog park with his dogs, which speaks of his kindness and generosity. We greatly appreciate John's consideration of our organization and wish to somehow honor his memory. You may contact us, any time, at 888-899-0025. -- DOGPAW

“ To all those surviving John I offer my most heart felt condolences. I was John's hairdresser for the last 15 years, or more. I was not made aware of his passing and regret not being able to attend services to offer this in person. He will be missed, greatly. I hope the dogs have found a home with at least half the love he provided them. Feel free to contact me by email or phone 503 267 4816.
