“ Dave lived a half mile up the road from me and in high school, I spent a lot of time at his house and he was a regular at mine. His dad took us fishing and mine took us hunting. I never had a brother but if I did, his name would have been Dave. He claimed that my mother liked him best but if she did, I was a close second. He was always a gentleman and he will be well remembered by those who knew him.

*I am very sorry for your loss.*
