“Dad, I will miss you so much. We never got enough of you and I will always be sad for that, but you will always be in my heart and I'll always remember the good times we shared as a family. I hope you are dancing in heaven now and finally pain free. I know God is embracing you as I hope He embraces us during our time of grief. I know we'll see each other again, so for now I'll say "I'll see you later." All my love, Sherry
