“ *We will miss a valued friend.*

Carole and Joel Olson - November 23, 2010 at 12:00 AM

AP

“ *My deepest sympathy on your loss. I worked for Don back in the mid 70's and he was the best boss I ever had. He even put up my down payment for my first home. I will always remember how well he took care of his employees and what a smart businessman he was....even during down times in the economy, he would always keep us busy doing work on his rentals and businesses he owned. I will never forget him.*

Alan Paulsen - November 21, 2010 at 12:00 AM
