

## Joseph Manuel Pedro

June 16, 1925 - September 21, 2010

Heaven received one of its brightest earthly angels, Joseph Manuel Pedro, The Love and Peace Rock Guy on September 21, 2010, International Peace Day. He was surrounded by his children, grand children and great-grandchildren. His courage to live his vision was an inspiration to many. Our father's passing wish was to continue his message of spreading love and peace, to make it a reality in our world. He will be greatly missed and never forgotten. Because of the love and care we received at the Ray Hickey Hospice Center, in lieu of flowers we invite you to make a contribution to the center.
