“ I just seen this and am so devastated to hear of Josh’s passing. I grew up with Josh in Bakersfield and have so many great memories with him that I will forever cherish. He was one of my closest friends growing up and have never knew a better guy than him.

“ *Joshua, my friend! Such a kind hearted person who lights up the room! The moment I met you, at your interview, I knew that you were a kind and honest soul. I love that we kept in touch for the past 14 years. I tried multiple times to recruit you for other jobs I was hiring for, but you stayed steady and faithful to the work you felt the Lord had for you. It was an honor and a privilege to know you and to call you friend. May you peacefully rest in the arms of Jesus. -Lisa Marie*
