“ I am so. So sad to hear this. We met years ago, bowling. We had kept contact for a few years after she moved to Lake Havasu through Facebook or when she was in Vancouver. My condolences to her Family and many friends. Please let me know if and when a Celebration of Life would happen. Thank You. 🥹🥹🙏🙏

“ *I will miss Joy. She was very special to me. I wish I could have been in Washington to be with her. I spoke to her on January 3 while she was in the hospital. I sent her several texts and made many calls to connect with her to see how she was doing, but no luck. I hope the family lets me know if they have a celebration or gathering in her honor. I LOVE you Joy and will miss our times together! Big ANGEL hugs! Kiannaa Leighland*
