“ One of the nicest women I have ever known. A wonderful caring mother to Linda and Donny. A great wife to Ernie. and I am sure, a very loving grandmother to Don. She made my own childhood (as her next-door neighbor) just a whole lot brighter. Joyce was kind and warm and lovely. Always welcoming and ready to help as a neighbor and friend. She was also a beautiful example of graciousness and she worked so hard for her family. I send my deepest condolences to you all, her family left behind. All my love to you, Ernie and Linda, love, Mardi (Jorgensen) Bone
