“ Our family absolutely loved Joyce. She was the care taker of our dear Mother. She was the kindest caring person ever. I know her family is proud of her. But, remember, we shall all be together again. The Louey family. Family of our dear mother "Rose Parker". RIP

“ Julie, your mother was such a dear person and I loved making a brief connection with her last year. (Losing a parent at any age is so difficult.) You, also, are one of my very fond memories of PAA. I can still visualize your smile and sweet laugh. Would love to connect w/you again, too.
