“ To Judie’s family. To those of us that worked at Coopervision with Judie-she was always Mom Judie to us. She took care of us, we learned great lessons under her care, and she was always a thoughtful, fair, forgiving and appreciative boss. Those of us that worked for her would have done anything for her. I can say that the mentoring she gave me has helped me greatly thru the last 25 years. I always knew that I could give her a call anytime for anything. She truly was a special person a great friend and will be missed greatly.
