“ *Judy and Jim and Bob and I were friends. We met when our husbands met and became friends in the food business . All of us enjoyed each other's company and had good times together. About 4 A.M. last night, Judy came into my mind so strongly and I knew I had to try contact her. I had no idea, she had passed away. So, I am reaching out to her dear family. Please know that my memories of Judy are loving and caring. I am so sorry for your loss and for the loss of Judy and of Jim. I hope they, with my Bob, are close in heaven.*
