“ Mom, I'm thinking of you in everything I do. I'm listening to your music in my car, wearing your one and only perfume and listening to your favorite cooking shows. It's hard to describe the the mother I lost. I was really lucky to have you as a mother no matter what happened. Thank you for loving me and never giving up on me and my dreams or your other children (my siblings). Your always with me. Your loving daughter, Erin Kathleen Ratliff

“ Bill, we are so very sorry for your loss. I was hoping to one day meeting Judie, and the next reunion seemed like a possibility. Don't know why God chose this time in your lives to take her to Him. I'm sure she's heaven's gain, but I can't imagine your feeling of loss. Our prayers and thoughts are with you and your family at this difficult time.

“ I love you, little sister....I have nothing but happy memories of you; you were so special in so many ways. I'll always regret the amount of time lost, past and future; but know that I'll help watch over your babies. Be at peace in heaven. My love forever, your sister Chris.

“ My heart aches at the loss of Aunt Judie. I remember being at her house on the east end of Ashland as a child with Rachael, Erin, Robyn, and Michael and playing inside and outside. Aunt Judie ALWAYS knew how to make someone laugh or smile or as a child giggle. It has been too long since seeing her and I wish I would've had the opportunity again. She will be dearly missed by myself and so many other in this family. Rachael, Erin, Devin, Robert, and Justin....sending my love to you across the miles. I hope someday we can meet again.

“ One of my favorite memories is Auntie Judy teaching us kids how to soap down the tub. Rachael, Michael and I would scoot around the tub like it was a roller rink. Judy would watch and laugh at us kids. I cannot even imagine us three kids being small enough to be in a tub at once.

“ *I was so sad to hear of the death of Auntie Judie. I will always cherish the memory of her baking gingerbread men with my sister Connie and me when we would go to Grandma and Grandpa Ratliffs for summer vacation. I pray for her and her children, may God give you comfort.*
