“ *Judy is one of the kindest souls that I have ever met. Fresh off a divorce, she took me under her wings, and accepted me into her family as her daughter in-law - in law... (My sister Dana is married to her son Scott). I spent many Christmas's and Thanksgivings, Easters and Birthdays with Judy and her family, and will forever be grateful for the love and acceptance that she showed me. My deepest regrets to her family especially Scott, Ann & Cindy. I am sad that I wasn't able to make it to her service. My husband Michael also wanted to say he will always remember her smile, her kindness, and her hospitality and concern that everyone was treated well. What a sweetheart.*
