“ Dear Jill & Greg, I am so very sorry. Yes she is definitely in Heaven visiting your Mom and playing a round of golf or two. You two are in my prayers. I'm glad Kaci's at peace and has no more suffering. I love you two just as much as I love my family!! Hug-hugggggg4hwbu

“ Kaci, I am sorry you went to the Heavenly gates at too young of an age. I remember you--- from when you were born. I remember your sister, Jill, being your seatbelt (putting her are around you to protect you while we were driving that big Monte Carlo car of your Mom's. I remember I was so excited to be going up North with Jill, you, your Mom-- to Chuckee Cheese's and maybe Canada( so long ago---I've half way forgotten)... but I got sick and had to leave you and the gang around Seattle. Thank you always being so KIND to me. I loved your smile & energy and I loved hearing from Jill what you were up to. Take Care my friend and R.I.P.---So very sad you are gone from earth but happy you are reunited with your Mom.
