“ Dear Cas, Dean, Charlotte, Trinity and Aiden, I wish there was something I could say to soothe your aching souls. Karen was my friend, unfortunately we shared the loss of our firstborn sons. Thru this loss we shared intimate feelings and tried to help each other as much as we could. I will treasure her friendship forever. I have faith we will all see her again. I want you to know that I am praying that God will wrap his loving arms around all of you and surround you with love and someday bring you peace. We will never understand why this happened to your loving son and brother Max and now our beautiful mother and wife Karen. I know she is with Max and feels the love and peace she so deserves. I am so sorry for all your family has been thru, hang onto each other love each other and know God will help you! Love and prayers to you, Shane and Melissa Larango

“ Cas, I don't quite know what to say. I was shocked to say the very least. My prayers are with you and the kids. I can't imagine how you are coping. Have faith and stay tight with the kids. They will be your comfort. We are so very, very sorry. Xxxoo, Judy and Rick
