“ An Angel whispered take my hand and come with me you're work here is done. I went away to a place where there's no tears, nor sorrow only laughter and smiles, there will always be a Tomorrow. As I move amongst the clouds. I'll look down and smile upon you, while the angels sing a heavenly song. I am not alone all who went before are here they awaited my return. I know you'll grieve and wish I was still here I am here in the memories you hold dear. Remember how much I love you and know I took your love with me. I did not wish for you to cry, nor feel sad. My pain is gone and I am Free! Soon you'll come to me until then God will be with you Just as He's with me.

“ No more pain, no more worries Those left behind will try- To have courage Spiritual self- body has departed The sorrow that is felt- Will last beyond tomorrow Hope you are dreaming In your long deep sleep Those left behind- Will be the ones to weep Life with family will not be forgotten You grew together like flowers in a garden Just some are planted at an earlier date The end comes too soon- As the season dictates.
