“*Sharlanae, I'm am deeply sorrowful for you losing your mom; we were great friends for many years! She used to say " I'm alright,it's the world that is all wrong!" Deeply saddened.*

“*I've thought often of your mom! When she was pregnant with Sharlanae she couldn't reach her coffee cup to drink the coffee so she used a straw and did for many years! She was a precious friend for many years, and sadly we lost touch. I'm truly sorry for your loss.*
