“ Cherished friend...you will be missed by so many... Dear Lord Sometimes my tears are all I have to offer You Let my tears be prayers that my lips cannot speak at this time Now in memory of my departed loved one a million prayers fall from my eyes May their dear soul rest in peace Until we meet again Amen

“ Dear David & family...I only knew Katie through the wonder of Facebook but I felt the power of her smile even if only through pictures. She was a special lady, that was easy to tell. With love and my deepest sympathy, God Bless You All!
