“ Ah Yes !! Kathy. Beautiful as she was strong. She was both a Longshoreman's Wife and Mother. Not too many women can fill those shoes and maintain their sanity as well. I only knew her for a short time, however she will remain in my heart and mind forever. I think she weighed a buck five soaking wet, however if we were there cuttin wood, she was either runnin the splitter, or runnin circles around everybody stacking the wood. Making sure the wood never exceeded 3 feet up, so the squirrels could run and play on them without getting squashed. The Flowers in her garden Always So Pretty. I feel Blessed and Honored to have had the time I did.

“ Kathy was a very fun loving and caring person. She always loved to kid with me and would listen and offer advise if I needed it. I always got a kick out of the way she feed the herd of squirrels around her house. She loved animals and life. I will miss her. God bless the family in this time.

“ *Its amazing that with moms pack of cats and herd of squirrells that she never had to worry about the animals fighting. Those squirrells were so dependant on mom that i dont think they know how to fend for themselves. I LOVE YOU MOM, YOUR DEEPLY MISSED.*
