

## Kathleen S. Johnson

November 21, 1941 - August 7, 2022

With very heavy hearts we have to report that our beautiful mother, Kathleen S. Johnson has taken flight from her journey on this great planet for her transition to be with our heavenly Father. We received this news last Sunday, August 7th, 2022.

Mom to us six, and so many more, she left a huge hole in our hearts and minds this week...and we are all adjusting with the strength and courage she taught us to carry, although we find ourselves in everyday circumstance seeing and experiencing things and thinking, "hmmmm, I'm gonna tell mom about that", and sadly, we can't! This will take time. In each one of us, she left a strength and foundation to face all situations, but this one we were not prepared for.....

At this time, we would love for you to remember how she touched your life, in one way or another, and recall what a unique and free thinking woman she was, good and rough, she did things in her own unique way and took no prisoners- taking everyday with the challenges and happiness being a mother to six very unique individuals who live through her example and sheer bravery....we raise a toast and a toke to you mother, our fabulous, wonderful female to whom we were blessed to be in your soul group - see you very soon one day!! Give Cody a big huge hug from all of us????

Love with all our hearts.....??????????????

Mark (Beth) Church, Angela Church, Eric (Pam) Church, Ken Nielsen,

Christopher Nielsen (Penny) and Cody Johnson (grandsons Dylan & Logan)  
And all the fabulous grandchildren, Elise Whittle (Cody) with two great-granddaughters Aria & Teagan, Jesse Whittle, Kaylee Johnson, Justin (Veronica) great-grandchildren Alexander & Harmonia.

She also leaves behind her sister Jeanette Knispel and niece Lisa Tomlinson. Also your kind and beautiful caretaker, Simone Bishop, whom you adored to the ends of this earth, she is truly the very best friend, confidante, organizer and pal you've ever had....we don't know where we'd be without her!! She doesn't know what to do without you....We love you Simone??

And last mention to our Pops, Leo Johnson, your unique and wonderful commitment with Kathleen and to us kids spans the decades, our hearts and souls know you as Dad, Thank You!
