“ Kathy was one of the kindest and generous persons we knew. One of our fondest memories was a trip to Carmel Ca. in a Lear jet. Kathy funded the trip for all 6 of us. We stayed in a beautiful home across the st. from the beach. One of our on-going jokes was that we would adopt her. She would help anyone in need. She shared a home with a friend who had serious health issues, and was his care giver until his death. She was often helping friends after surgeries. She took good care of everyone around her. Kathy was an important part of our bunco group until her hip surgery and the pandemic. Kathy had the biggest heart. After my son and she broke up, she still had him and his son stay with her along with all their pets. She even drove my grandson to school here in Milwaukie from Vancouver. She did this until he bought a home. Kathy will be forever missed. We love you always, Edie and Ron

“ So many Bunco games on Tuesday evenings were shared with Kathy, but Covid suspended our games and we weren't aware of Kathy's passing until this week. We are stunned and so very very saddened to have lost her. Kathy always had a smile and would share a joke or story to brighten our day. A bubbly person she also led an interesting life and we'd pester her to share work stories with us about famous people and events at the airport. Also quite generous Kathy would volunteer to help a friend whenever asked. Reliable and extremely efficient she was a person you could depend upon. Kathy remains in our hearts and memories. . .

“ *Kathy will definitely be missed. She knew a lot of people in the aviation industry. She taught me a lot about the charter side of things. She had a kind and giving heart. She also loved to play jokes, she got me good on a trip that we worked a convention together.*

*May she RIP, and fly free now. No more stress. Take care..... see you on the other side.*

“ *The times we had together were the best. We loved our beach trips with the girls, crafting, playing games, and laughing. There is a big hole in my heart with her gone. She will be greatly missed.*
