“ *Kathy will always have a special place in my heart. So much laughter and love. Although we haven't seen each other in years social media allowed us to maintain contact. She will be missed and I will miss her posts. She truly loved her family. My thoughts and prayers go out to each and every one who is struggling with this loss. Heavens gain.*

“ *My memories of cousin Kathy always include huge smiles and joy. Our family is notorious for giggles. I am so sorry her light is no longer here, but am glad she no longer is fighting for life. Sending love to the family, may peace find you soon. Sincerely, Sheri Tillett (Logan)*
