“ *Being a part, even a small part, of Keith's creations was an incredibly exciting and gratifying time, the best of times. Speaking for all of our rep group, Applied Audio Marketing, we were in awe of his amazing abilities and inspired by his revolutionary inventions. A true master of his craft and trendsetter for an entire industry.*

Bob Edsall - September 09, 2010 at 12:00 AM

“ Keith, You were my mentor, my technical dad, and a great friend. The world and I will miss you and your genius forever. Dave

David Simpao - September 02, 2010 at 12:00 AM

BW

“ Keith was a true genius, kind and aspirational who will be missed by many people. Taken many years before his time it is a sad loss to his family and all those who worked with him over decades of creativity, always with Keith at the front.

Bob Wilson - September 02, 2010 at 12:00 AM

“ *To Keith's family I would like to express my most sincere condolences on the loss of a husband and father. It is tragic to lose such an exceptional man at such a young age. I know that he will be missed by so many. May you find comfort in the love he had for his family and friends and by the lives of those he touched with his brilliance. May God comfort you and watch over you all during this difficult time. With respect, Cathy Buckley Former Alesis Human Resources Manager*
