“ June, Mark, Bart and Jay: I'm so sorry to hear about Keith's passing. I have such wonderful memories of our times together. My Dad always said with a wonderful person Keith was and he was such a great guy to work with as well as being a special friend. Love Cindy

“ Keith was a wonderful and intelligent man of God. Our entire family was honored to know him. There are a few people in our lives that are always highly regarded, Keith was and is one of those individuals. We ask that God bless the Eggen family at this time
