“ After Keith and I graduated from The Dalles High School in 1955, we both went to Oregon State College (now University) in Corvallis. We were both in Wetherford Hall where our rooms were next to each other. I was with Keith for his first marriage to Tony in Goldendale, Wash. I worked as a deckhand at the Pacific Inland Navigation Company for one summer. Keith's dad owned the company. We graduated at the same time in June, 1959. Since we knew we were near the top of the draft list we decided to volunteer for the draft. We were both sent to Fort Ord, Calif. for the 8 weeks of basic training and were in the same platoon, (a group of about 30 soldiers). After the 8 weeks, Tony picked us up and drove us home to Oregon. It's a good thing we volunteered when we did or we would have been drafted in a few years and sent to Vietnam. Note to Tony: the above items should be in chronological order but my memory has faded in the last 60 years, so if you see any errors, let me know, or just correct them yourself. I won't mind. “ I am sorry Kieth is gone so soon. My condolences to his family. I remember the great parties he had at his house when we were young and adventuresome! Lee Hoodenpyle
