“ We were among the many in the overflow area during Kelly's incredible memorial service today.:) My son, Caleb, had the opportunity to work with Jacob during the CYT West Side Story teen camp last summer. We feel being in the CYT family makes us part of your family as well. Therefore, I just want to say that we are with you in prayer and hope that you will be ever-comforted each moment knowing Kelly is in the glory of her King and that each of you will continued to be cared for by Him each step along The Way. Peace and comfort, Amy Adderley (the Adderley family)

ME

“ My thoughts and prayers go out to the family. Kelly will surely be missed by all. She is now one of our Heavenly Father's Angels singing to him by his side. Whenever you hear a bird sing or the wind blow or the ocean breeze by your side, know that she is there letting you know she loves you and she is well with our Heavenly Father. May the peace of our Lord be your comfort this day and always, until we see her again. Blessing to you and yours. Always, YSIC, Monique M. Errico~Pundyk

“ I remeber going to school with Kelly, especially middle school. She used to listen to 'records' in the library and sang solos at most of the school concerts. She had a wonderful voice and so much energy. I watched a few of her videos on YouTube...so much talent. I'm so glad I got to know her growing up and so glad she found Jesus.
