“ *Kayla and Sarah I am sorry I have not written on here sooner. I cannot express how sad I am for you both. Your dad was an awesome father and husband. I know I will miss knowing he was just on the other end of the phone when I needed him. I Love You Both so much and I sincerely hope you know that the family will always be here for you. Please stay in touch.*

“ *Ken was a great brother to Tom, and a wonderful son to Art & June Andres. We will always appreciate his special attention and trip around Mt. Rainier he took his mother on just days before she passed. Ken's fun humor will be remembered forever.*
