“ Uncle Ken, it was an honor and pleasure to have you as my uncle. You were the father figure we looked to when Dad died and we always knew you were there. I'm so glad I was able to see you last year and I look forward to seeing you in heaven. Say hi to dad and mom for me. I love you.

“ Uncle Ken, the last of the 'greatest generation' from our family. Marv, our thoughts and prayers are with you and your family as always. What a blessing to have your dad with you/us for so many wonderous years and now knowing that he is in a better place surrounded by family! In fact, I'm betting that he and dad are already telling stories!
