You can close your eyes and pray that she'll come back or you can open your eyes and see all that she has left. Your heart can be empty because you can't see her or you can be full of the love you shared. You can turn your back on tomorrow and live yesterday or you can be happy for tomorrow because of yesterday. You can remember her and only that she's gone or you can cherish her memory and let it live on. You can cry and close your mind, be empty and turn your back or you can do what she'd want: smile, open your eyes, love and go on.

“ *Kerri was a sweet blue eyed child and she was a namesake for my blue eyed baby Evon. Their eyes spoke of so much love, laughter and joy, pouring out from their souls. Kerri won't be forgotten in my heart.*
