“ The balloons were let go up to you. We took video, but for some reason the video never got saved to Mike's phone..I have a feeling that you didn't want that video to be shared that that was a moment for the ones who where there..I sure miss you, but know that you are sending your love in ways that the ones who truly know you will recognize.. ❤️🙏🏻🙏🏻🙏🏻 ps. I am getting a tattoo in your memory on Sunday.

“ Kristina.... I will miss you more than words can describe. I'm thankful I was able to be with you everyday those last 2 1/2 months. So many deep conversations shared, movies watched and late nights full of laughter while waiting for Kevin to come home. He misses you so much. You two sure had some fun times, you looked good with one another. Kevin is quieter these days. Thank you for helping create the friendship that I have with Misty. I'll watch out for her. I still have all four of your cats and I will forever keep them with me... Simba says he misses you. Save me a seat in heaven, I know you made it there. Hopefully you see my Dad up there. Also, I'd like to convey my deepest condolences to that beautiful, loving family of yours. To Mrs. Tina Sharpe, I can't even imagine the pain you feel with the loss of Kristina. You did well with that girl. I've never met someone more honest, passionate and brave than her. She always said " My Ma'am taught me that". Bryanna Le, I'm sorry you're sister is gone. She loved you so much and recently shared how she didnt know if she did a good enough job at being an older sister. I told even though I had never met you that I know you loved her so much from all the stories she shared with me. And finally, to Charlie... She is forever with you, loving you and keeping you safe. I'm so sorry you had to experience this so young in life. I'll always remember the way she would say goodbye after you guys talked on the phone... I'd hear your mom say " I love you more than you love me and if I say it first than it's true haha!". Kristina Eileen Gibson (Wais), into paradise may the Angels lead you and keep you. This is not goodbye, this is see you later. I love you. ~ Eternally your friend, Rachel Newman

“ Kristina I love and miss you so much. I miss our little chats and how you always stuck up for me when Mike would talk crap about me gaining weight or him just talking crap in general to me. I bought you some piggy balloons that I am going to let go to you up in heaven as soon as this Corona virus crap is over. I can't begin to imagine what your family is going threw with the loss of you, but I do know one thing for sure you are dancing up in heaven with some pretty amazing people. Love Susan McNichols ❤️🐷🐷🐷❤️
