

Krystal Cay Dunlap-Randolph

May 9, 1983 - June 26, 2024

Krystal Cay Dunlap, born on May 9, 1983, passed away on June 26, 2024. She lived a life of warmth and kindness, touching the lives of everyone she met. In the words of John Steinbeck, "It's so much darker when a light goes out than it would have been if it had never shone." Krystal's light was a beacon of joy, and its absence is deeply felt.

Krystal graduated from Fort Vancouver High School in 2001, where she excelled as a soccer player, making the varsity team with her exceptional talent and dedication. She continued her journey at Oregon State University, earning a degree in graphic design in 2005, and pursued her passion for creativity.

Known for her ability to light up a room, Krystal made friends easily and spread joy wherever she went. She found peace and inspiration in the outdoors, enjoying hiking and camping adventures that reflected her love for nature.

Krystal is survived by her beloved son, Finnegan Randolph; her parents, Kelly and Susan Dunlap; and her brother, Mitch Dunlap. Her memory will be cherished by her family and friends, who will remember her for her talent, kindness, and the happiness she brought into their lives.

In lieu of flowers, the family asks that donations be made to the GoFundMe page set up for Finnegan's future [gofund.me/6333920a](https://www.gofundme.com/6333920a) ensuring that Krystal's dreams for her son will continue to flourish.

MM

“ *Krystal was my neighbor for two years at Roselawn. She was super pregnant when she moved in and shortly thereafter we met Finnegan. We were new parents ourselves and, we spent many times having our kids play together although they were just babies. It was great to have someone right next door to us who was experiencing the same thing we were going through. I'm sad to hear of Krystal's passing. After she moved we reached out to her a few times but, were unable to get the kids together again.* ”

“ *You were my first love in this new land, the one who made it feel like home. I never found the courage to tell you, and now I'm left with the ache of words unspoken. If only I'd whispered it to you, just once, you might have known the depth of my heart. Now, all I have is the memory of what I kept hidden, and the promise that I will love you forever, even in your absence.* ”
