“ *Your precious little girl is laid to rest just above our sweet granddaughter's grave. Our beloved girl passed away May 1, 2017. Our other granddaughter is 7 years old, & for some reason she was drawn to Kylee's site & says our Evie & Kylee are friends, so when she visits she takes a flower from Evie's bouquet and leaves a flower for Kylee. It's so sweet. I wanted you to know, in case you visit & wonder about the mystery flowers. God bless you!*
