“ I worked with Larry for about a year and really enjoyed his company. He had the greatest smile. I admired him for being one of the bravest undercover officers I had ever met. Few can do this job as well as he could. It was very stressful and he made many very significant cases with his work. I am sorry to hear of his passing. He is missed and was a great cop.

“ I'm so very sorry to hear of Larry's passing. We worked together in the late 80's & early 90's. He was a good agent and a good man. He will be missed.

“ Larry was an amazing man with an unbelievable work ethic. He was a man of integrity and possessed an unmatched loyalty, to those whom he was close to. He had a keen sense of wit and great sense of humor. We witnessed Larry on multiple cases, where he acted in an undercover capacity (many times monitoring him on a wire as he "conducted business"). He was the best in this role, responsible for some of the largest drug seizures and most significant arrests-involving heroin, cocaine and methamphetamine distribution-in the Portland metro area. Thank you for your sacrifice Larry and family. We know you (family) were behind him, when he was out there. My condolences-God Bless
