“ Family of Lee Dahlin. I worked with Lee in Santa Ana, CA on a Traveling Overhaul Team - I tried a Google search to try to find him and hit this obit. Surprised - so I did some digging and found one for Jean also - Nov 2002 even more surprised. Sincere Sympathies for both. Jerry Freeman (ARCOJUJU@AOL.COM)

“ Linde, my condolences... I have been wondering how all of you are doing and found the obituary. I am so glad your dad was with you and your family. You are in my thoughts, Amanda
