

## Lawrence Joshua Ferguson

April 16, 2003 - April 29, 2025

Lawrence Joshua "Josh" Ferguson, age 22, of Longview, WA, passed on to be with our heavenly Father on April 29th.

Josh was born on April 16th, 2003, in Vancouver, WA. He is survived by his mother Amy Jensen, his father Jason Ferguson and his stepmom Shantelle Ferguson. Additionally survived by his siblings; Dayton Ferguson, Justin Ferguson, Matthew Ferguson, Hailey Ferguson and his step sisters; Kaitlyn Hampton and Stephanie Jones.

Josh was a man with profound passions and a vibrant spirit. He discovered joy in the great outdoors; hunting, fishing, riding horses, and off-roading through rugged terrain. Whether Josh was singing along to his favorite tunes, dancing with carefree joy, or losing himself in a good book, he fully embraced life. Josh also had a well-known appreciation for a good glass of wine, which he enjoyed with friends and loved ones alike.

Those who knew Josh will remember him as a sweet, helpful, caring, and deeply sensitive being that never bypassed an opportunity to help those in need. He maintained the heart of a gentleman and possessed the soul of someone capable of seeing value in all things and persons around him.

Family was everything to Josh. His kindness and generosity touched many lives, and his absence leaves a quiet ache in the hearts of all who knew him. Josh's memory will live on in the stories shared around campfires and along river banks, in the laughter when old friends coalesce, in the yearly birthday celebrations family plans to maintain, and in the peaceful places he loved

most.

Knowing Josh was an individual of deepening faith, made formidable by his insatiable desire to know God, allows us to forever picture him walking the streets of gold alongside Jesus and undoubtedly asking every question he ever had.

We miss you dearly Josh! We love you more than words could ever relay sweet boy! And we can't wait to see you again in Heaven as you're waiting to embrace us with open arms.

“ Josh I miss u more than I ever thought I would. I know I didn't see u very often but when I did it was magic. You were always there for me anytime I needed it always waiting with advice and funny remarks to lighten the mood. You made everything better. What I would give for one more minute with u just to tell u how much I love u and how much u mean to me. I will never forget one of the last things u said to me. U said “you're my favorite cousin just don't tell anyone else that.” I miss you but I know you are looking down on us with happiness from heaven and enjoying the company of the loved ones u missed before. I will see u one day again and I can't wait to just give u a hug. Love you Josh, goodbye.

“ I remember my uncle Jason's kids from years ago, when we would spend time at my grandparent's house in Montana and when I attended uncle Jason's wedding In Washington state.

*I saw a family full of love. A family dynamic anyone would want to be a part of.*

*He raised some good kids. I remember laughing a lot, and just enjoying being around a lot of family in Montana, at my grandparent's house. Those memories will always be ingrained forever in my mind. I thank them all for those memories. Thank you Josh for being a part of those memories. You will be missed by many.*

“ I will Miss My Sweet Cousin's Crazy and Endearing Smile!!! He had a way of understanding and knowing the Unsaid!!! He was and always will be a kindred Spirit ☐❤️☐  
I love you Josh and always will! I know I will see you again one day! ... Until then try to keep Grandpa from talking about politics too much and get him to smell the flowers with Grandma! Take a long walk with him and Grandma with Bella by your sides. Then maybe enjoy some of Grandma's waffles around the table while Grandpa drinks his coffee and reads the paper all the while rousing Grandma to bring him some jelly for his biscuits,.... while you two share a wink about how Ornerly he is being with her ☐☐☐☐
