“ Dear Mike: You probably don't remember me but I am Chuck's daughter in Texas. Although I didn't get to spend time with the Sparano side, my Dad and I grew close as the years went by. I did have many opportunities to spend talking and visiting with your Dad as well as your Mom. I loved your Dad very much..he was a very vivacious person and I loved hearing his stories. I always wondered where my love of bowling came from and didn't realize until I had time to spend with the family that all of you are so very active in the bowling circuit. I am very sorry for you loss. It is difficult and I miss my Dad every single day. My thoughts and prayers are with you and your family during this difficult time. Love, Jeanette

“ Lila: I remember all the help you gave my grandson Teddy, which I will always be grateful for. Teddy: Coach Larry, you'll forever be missed in the hearts of all the kids that you coached, including me. I owe my entire game of bowling to you and I'll never forget your influence on my game. Thank you for everything! Say hi to Alex for me.
