“ Leila was like a daughter to me, I loved her so much just like how her own mother loved her. Eventhough I didn't get to meet her and hold her in my arms I still love her. Before she past me and her mother was talking about my son Moses and Leila will be taking pictures, and how Leila would be horse riding on Moses back. As soon as I heard the news all I can think about is my son. Leila eventhough you left us with nothing but your precious memories we will never forget you. We missed your smile, your laugh, your lil unforgetable face. Leila we love and miss you no matter what.
