He was dedicated to his family always providing for them and giving "non sugar coated" advice. A Celebration of Life will be held at Evergreen Memorial Gardens at 3:00 p.m. on Saturday, July 23, 2016. He will later be laid to rest in Madras, OR, where he first met his wife and most of his family still reside. Please sign his guest book at: www.columbian.com/obits.

“ I met Leroy and Vicky 40 some years ago when I went to work at Then called Bemis Co. Vicky showed me the ropes stacking on the machine we were working on. I then moved on to working with Leroy as one of the women working what was then called B labor. Leroy was so much fun. He always had a joke or did some funny thing to make you laugh to break the monotony of the job. He always treated me with respect as a women which I so appreciated. Working with Vicky and Leroy started a lifetime friendship which I will always cherish. My deepest condolences, Vicky, to you and your family. Our memory's will live on forever. RIP, Leroy.
