“ Lewis left a hole my life that can never be filled. He was the best of us in every way and the person I aspired to be. He was killed by a person of no value at all.

“ I had the priviledge of sharing an office at PCC Structural, Inc. with Lewis for the last 2 years. We immediately became close work buddies. I will hold close to my heart the great memories I have of Lewis and of the times that myself and Jim got to spend with Deb and Lewis. I miss Lewis so much! He was a GREAT guy. My heart aches with sorrow. I can only imagine what Deb, Craig, Wes and the rest of the family are going through (I pray for your family every day!).

“ My Condolences to the family, Lewis was a great guy, remembering back when we were growing up. I'll always remember he had that dog in junior high that followed him everyday and all day to and from school. I am sorry for your loss. He will be missed.

“ It was such an honor to know Lewis the short time that I did from working together at PCC. He was a good man who loved to share a story about his family, his music, or his motorcycles. My deepest condolences to his family in your loss.

“ I am so sorry to hear of the sudden and tragic loss of Lewis. MY heart breaks for Debbie and their family. I haven't been in touch with Deb and Lewis for quite some time but remember Lewis as a friendly man with always a smile on his face. He and Debbie were such a great couple and I always envied their closeness. I hope it helps the family to know that Lewis is in a wonderful place. My thoughts and prayers are with Debbie and all the family.

“*Doug and I feel so sad about your loss. Our prayers are with you today and through the difficult days ahead. We have good memories of Lewis and were touched by how sweetly he treated Bethany, when she became his daughter. He bought her some Lucky jeans and maternity clothes and grills her special steaks. What a cool guy! Deb, you are a loving person. You have Gods love in your heart. Our hearts hurt for you. Lewis is in Heaven with Jesus. Praise GOD! Love to all of you Hoefleins.*

“*I would have never guessed that when I saw you at your mom's funeral, that would be the last time I would see you. I enjoyed talking motorcycles with you and remember old times when we lived in Orchards. I will think of you when I ride. Until we meet again Lewis, may God Bless You and keep your family safe!*

“*I was so sad to hear the news about Lewis. Even though I haven't stayed in touch or seen him for many years, he often came up in my thoughts when reminiscing the past. I had lots of fun hanging out with Lewis back in the day. He was always a good guy. I am so sorry for his family as I am sure he is sorely missed.*

“ I was a temp for Lewis at Large Parts Maintenance Dept for over a year. Who can forget the boss with a great sense of humor who loved to talk about Harleys & guitars and really knew his job. The kindness and patience he showed me will never be forgotten. It also reminds me that life is not fair and can change in an instant. Lewis will be missed.... I keep his family, friends and loved ones in my prayers.
