“ Lana sorry to hear about your mom, from what I remember she was lots of fun to be around.

My prayers and thoughts are with you at this time as I to know what it feels like to lose someone so special but my grandma always said when God calls you home it's time to go.

Also remember the good times you had with your mom and your dad together after all they brought you into this world along with your brothers and sister and that says it all you, and the rest of the family did have some great times together.

Someone once told me to pick a cloud or even a star and put there name on it because you can look up and talk to them and they will hear you calling them.

Recently we lost a good friend and the person's family gave a tree to plant in her memory we did that for both of my parents and I took my tree down to the beach property and planted it as I will do with this tree when it gets a little bigger.

You take care and remember your friends are here is you need to talk to someone, Love you Lana .
