“ Linda had a big heart and I regret that she and I didn’t get closer sooner. Phil and I will always remember how much she enjoyed it when we invited her up to sit around the fire pit to relax and talk. Our prayers are with Linda’s loved ones. I am not sad for you any more Linda. I am happy that you have your smile back and you are without worry and pain. We will miss you Sweetie.

“ Linda was a-wonderful caregiver and friend to my 93y mother Dorothy Pierce. I also considered her a friend. She went far beyond the role of "hired help" and we are missing her dearly. It saddens me very much that there will be no service to remember her as we would have liked to share with her family our memories and love for Linda. I was able to take a photo of her with Mom so we do have that. Family feel free to contact us 360 910 8603
