“ Grandma Linda was just the best. Her spirit, energy and smile was infectious. My kids loved her dearly and so did we. She might be one of the busiest ladies I've ever met and I will never forget her walking that neighborhood every day to get her exercise in.

She was truly one of a kind and will be very missed.

We love you Grandma Linda

“ We were privileged to get to know Linda through our best friends The Stead Family. Linda was a very special Memeber of their family and we were lucky to spend lots of time with her. Linda truly became a Grandma to all the kids including my two children Reagan and Chase who called her "Grandma" when they saw her. She was so loving, kind and patient. We had the opportunity to go to Hawaii a few years ago with her. Without question- she was the VIP of the trip to all the kids. They wanted to play with her most days- and she was always sneaking them off for an adventure. We are so sad about her passing and will miss her. Sending so many love and hugs to all the family and surrounding family that loved her deeply!!! Love, The Lundberg Family
