“ We first came to know Linda when she and Perry were the photographers at our wedding. We then had the pleasure of having Linda as our nurse for the birth of both of our children. I was always so excited to see her. She was so caring and felt like part of our family.

“ I worked with Linda in the Maternal Child dept at St Francis in Grand Island for 17 years. She was the most caring, calm mother-baby nurse. She was an immense source of knowledge and an excellent advocate for breastfeeding. I enjoyed working with her and she had such a unique sense of humor! I went to visit her about a year ago and thought of her often since. So sorry for her family but the babies in heaven are blessed to have her now! Mary Nickel

“ Jeff, Kurt, and family. So sorry for the loss of your mom. I worked with Linda for over 20yrs. She was a great nurse and co-worker. She taught me so much when I started working in OB. She was so proud of you both! All that baking she did for Christmas! You are all in my thoughts and prayers. With sympathy,

“ Jeff, Kurt, and families. My sympathy to all of petite little mom looked like she had a big ball tucked under her uniform. Your mom was such a good nurse, I trusted her her skills completely. If she came to me or called out "Alice", I stopped what I was doing and immediately went to Linda because I knew there was something that needed attention right now. But the other thing about Linda was her love of her boys. Linda was so proud of you two boys. You truly were the apples of her eyes. I remember hearing about YUCK soup! And then when she acquired daughter-in-laws and grandkids, she was in hog heaven. lol. I missed your Mom when she retired. I am saddened to hear of her death. I will pray for her to rest eternally in peace. Sincerely, Alice Quick

“ Jeff, Kurt and Family, I am so sorry about your sweet mom. I worked with her for many years, first as a graduate nurse and eventually as I was a nursing instructor. She helped so many students! Linda was a tremendous inspiration to me, teaching me so much about taking care of moms and babies. In turn, I have shared this knowledge with my students. Her legacy will continue for many years!! Also, Linda and my mom were good friends in Memory Support at Heritage. Throughout her time there, she always looked after my mom and her insight as a nurse remained steadfast. Linda will always have a tremendous place in my heart and I will always be grateful for her role in my life. Blessings to all of you!

“ Jeff, Kurt and family, I am so sad to read of the passing of your mom:( I worked with her for many years in our Maternal Child unit. She was the best mother/baby nurse and touched so many lives! Sooo conscientious and caring! She went above and beyond to help a new mother. She and I retired @ the same time. I visited her @ Heritage. I'm glad she could be with family before she passed. I'm sure she's taking care of all the babies in heaven. God bless! Sue Whitman

“ Jeff, Kurt & family, I was so sad to hear of your mom's passing. I had the privilege of working with her at St Francis from 1986 until she retired. She is one of the best nurses I ever worked with..as a LPN she trained all of the RN's on how to deliver mother-baby care since she was our expert and the best at advocating for moms and babies. She was gracious and kind to all. She and your dad also took our kids' graduation and wedding pictures..something they enjoyed doing together. They were so good to work with. I visited her shortly before she moved but am so glad she had a chance to be close to family before she passed. My sympathy to all of you. Sincerely, Jan Spale.

“ Very sorry for the loss of your Mom. She and your Dad were the best neighbors and friends for so many years. I miss your Mom and think of her as I look out at the empty rose garden but always remember her loving care of the roses. They were so precious to her as were her children and grandchildren. May she be resting in peace. Janet Harvey

“ Ulmer family, I was saddened to see the passing of your mom. I remember her as being such a positive influence to all. Such a calming person in any situation. She was always kind and never too busy to smile and say hello. She was so proud of her children. May God bless and comfort you at this difficult time. Thank you for sharing your mom with us all.❤️

“ Jeff, Kurt, and family. I read with sadness the passing of your dear mother Linda. I worked with her at St Francis maternal child department. She was a wonderful and caring nurse to thousands of mothers and their babies. I learned so much from her. She even came to my home and helped with my first grandchild. I believe it was 2 years ago a bunch of us nurses got together and had a birthday party for her at Heritage. It was a sweet time. Often in the summertime we would walk over and share a glass of wine. She was one very special lady and friend. I miss her.
