“ Lois was one in a million...she was super easy to talk to and always listened to what you needed on your upholstery and it was always award winning 🏆 when she finished ...and a great 2nd Mom when needed 😊
You will be surely missed 😭

“ Lois had the bluest eyes and the sweetest smile. I will always remember her kind generosity and how we reminisced about what it was like to have beloved sons and how blessed we were to have the families we had. I will truly miss her. Judy G.

“Lois was a spitfire. She loved her family and loved to bake cookies. We would bring our daughter down to Rick's shop as she always sent cookies down there that were the Best! Through time she would come down to watch us and support us bowl. We would go over to her house and enjoy conversations with her. She will be missed.

“I'm so sorry for the loss. Death and grief are so hard especially the first year. God is good that He comforts us in our times of grief. Trust His promise of a resurrection into a peaceful new world. (John 5:28,29 & Ps 37:29)
Reminisce often as memories help keep them alive in your life and heart. With my deepest sympathy.
