“ My family and I offer our condolences to Pastor Terry and the whole family. May you find comfort in the fact that you'll see her again. We love you Pastor Terry, Shaun and Nikky..Although, we didn't personally know you Lorenia, we were often entertained by stories of your life from your son Pastor Terry, and were still sad to hear of your passing. Love in Christ, Miller and Jantoc Family

“ Lorenia will also hold a tender piece of my heart. She and Virgil opened their home to me as a rebellious, rough teen, and gave me kindness and focused direction. Unlike most adults, Lorenia always talked to me in a normal tone of voice - just like an equal. I remember how special that made me feel, so many many years ago. Lorenia might not have even known that had an impact. Her love of Christ and her family, and her generous and tireless commitment to all the 'lost children' of Randle, is one of the most lasting and selfless gifts Lorenia gave to our little rough-hewn community of Randle. I love you Lorenia.
