“ My apologies...the photo did not post for some reason, but those who knew Lori can easily imagine it. That smile was iconic! xoxox

“ I had the honor of working with Lori for many years. Fun, funny, warm, full of life are words that come to mind to describe her. Her infectious smile! I am posting a favorite photo of her taken in 2004 for "Tacky Day" at work (thus the fur accessories), because it clearly shows that smile that comes from deep inside. May her family find the strength they need to carry on as she would have wanted them to. My heart goes out to you. Happy Trails, Lori! I will see you when I get there!! Bobbie Bonnickson
