“ *Grandma In Heaven*

*Although you sleep in Heaven now  
You're not that far away  
My heart is full of memories  
And you're with me everyday  
You lived your life with meaning  
And with a smile upon your face  
A world that was full of happiness  
Is now an empty place  
People say that only time  
Will heal a broken heart  
But just like me and you,  
Grandma It has been torn apart*

*I know you are at peace now  
And in a place where you are free  
Meet me at the Pearly Gates  
When Heaven calls for me ,  
until we meet in my end  
Remember grandma I love you

“ *Eulogy for Grandmother*

*I'm here to pay tribute to my beloved grandmother. She was a remarkable woman who brought love and happiness to so many. I had a connection with my grandmother that was like no other. She was the one I could count on and the one who could always provide the wisdom and advice you needed at just the right time. When things were tough I knew I could turn to her and she would do what she did best: be my grandmother and make things better all so much better.*

*But she also had an amazing life. She did all of that and more she was so easy to adore.*

*I know she was so highly thought of not just by me, She was a wife ,a mother ,a sister a aunt, and a wonderful great grandmother like no other ..She will be missed dearly and loved everyday, I know this much she loved in a special way unique to all in her way and no one can ever take those priceless and fond memories away . Love you grandma I will hold you in my heart for rest of my years . Your lil Kokomo. Aka Gordon C Rowe*
